

BLUE AND GRAY HAS GREAT CHANCE TO STRENGTHEN SCHEDULE

Georgetown-Marine Game Should Be Fixture Here Large Crowd Indicates Service Eleven Would Fill Big Gap in Blue and Gray's Home Program—List in Need of Revamping.

Athletic authorities at Georgetown and Quantico should immediately reach an agreement to stage an annual football game in this city.

Saturday's developments, so far as the interest was concerned, was one of the most agreeable surprises gridiron followers have experienced. More than 10,000 people gathered at National Park, and there was a spirit that has not existed between local teams in years. In fact, not since the Georgetown-Virginia rupture have two eleven men gone into action so intensely anxious to win from an opponent drawn from hereabouts. If this date is made a fixture it should later develop into an annual affair that would draw football crowds the like of which this city has never known.

Combining the Georgetown student body with the Quantico garrison, and there would be at hand a mass that would overshadow the throng that now attends any game in which teams hereabouts contend.

As to the quality of football it would be of the highest order. The Marine Corps is determined to have a Quantico a most representative squad, and details are so arranged that the football luminaries receive assignments during the fall to the east coast base. The plan affords the brigade real sport during the autumn and the victories arouse a pride and stimulate a morale in such a manner that the military efficiency of the command is increased. Not since the armistice has the corps been more proud of an achievement than the triumph of Saturday.

Georgetown's schedule is in dire need of revamping. In spite of any resentment that may be engendered by an over-enthusiastic undergraduate by such a statement, the mature judgment of those capable of planning is that Georgetown's most pressing necessity in football is a game in Washington that will take the place of the former classics with Virginia.

Just before and since the war the Blue and Gray have been developing teams of the front rank, but so unsatisfactory have been the attractions at home, there is generally speaking, more interest in the general football world in the work of the team than in its home town. Emory and Henry, the original assignment for yesterday, could not have offered more than negligible opposition; Cincinnati was practically unknown, and while Holy Cross should present a strong front, the team hails from a point too far distant to arouse Washingtonians. George Washington has done nothing to warrant a place of prominence on Georgetown's schedule, while as an emergency proposition a post-season game with Lafayette is good, but it will not do as an annual attraction. Even though Georgia Tech or Centre be induced to meet here next fall, neither would be as will the Marines.

Washington showed on Saturday the teams of proper class that offer good competition, so both Georgetown and the Marines will be negligent if they fail to at once enter upon an enduring arrangement.

Willis to Fight Johnson. NEW YORK, Oct. 29.—Harry Willis and Jack Johnson, former heavy-weight champion, have been matched to meet for twelve rounds in Newark some time late next month. There are a few obstacles to be removed before proceeding for the final preparations. Johnson and the ban must be raised before he will be permitted to meet Willis of anyone else in the squared ring.

Washington Pros Tounce Chester Walson and Blair Feature 33-to-0 Victory Over the Pennsylvanians.

Displaying a better all-round brand of football, the Washington Pros snowed under the highly touted Chester Shipyard eleven by a 33-to-0 score at American League Park yesterday.

The locals tallied in the opening period on a forward pass, Walson and Blair, who sprinted 18 yards for the score. In the second quarter Charlie Walson intercepted a Chester pass and carried the oval to the Keystone's 13-yard mark, from which point successive smashes through center and off tackle by Blair and Walson, resulted in the second touchdown, the former taking the ball across.

Blair made the prettiest run of the afternoon in the third period, sidestepping, twisting and turning for 76 yards and a touchdown on Cavanaugh's long punt to the local's 24-yard mark, and a minute later Buff Turner duplicated Walson's feat of the previous quarter when the burly guard snaggled a Chester forward pass and dashed, unaided, 40 yards for another score.

Washington's final score was made by Wheelock in the waning moments of the game, the Indian backfield star, aided by splendid interference counting, after racing 45 yards through the entire Pennsylvania eleven.

The return of Capt. Charlie Walson to Manager Jordan's line-up appeared to inject additional pep to the play of the local eleven, and after the first quarter the shipyard crew never had a chance.

Blair, Walson and Hathaway started for Washington with McCawley and Cavanaugh dividing honors for Chester, whose line-up was weakened by the inability of four of its star players to appear because of injuries received Saturday in a game against the Philadelphia Pros.

Calling 'Em Right In D. C. Sportdom

TWO REAL GAMES HERE THIS WEEK. Friday and Saturday of this week should see two brilliantly played games at National Park. The defeat at the hands of Penn Saturday should be all but eclipsed by the contest of the day before, some real football should be enjoyed, as Georgetown is most anxious to climb back to the pinnacle it occupied before the Marines joined them Saturday.

TO MAKE CLOSE STUDY IN DEVELOPING GREEN. When W. D. Vanderpool, vice president of the United States Golf Association; Walter S. Harbin, of the Columbia Club, and other members of the national green committee, adjourned here yesterday they had decided upon a most extensive plan of developing better courses for the 600 clubs that have membership in the organization.

At the Columbia Club the ninth green represents an experiment in the vegetative process, and so successful has it proven that the committee took back to their respective clubs a recommendation that the idea be adopted nationally. At the Arlington agricultural experiment station the committee found the theory of the Columbia people well supported, so the vegetative idea probably will be broadly adopted next spring.

National Park Gridiron Nears Heavy Soaking. While the sizzling of the diamond paths has added greatly to National Park as a football field, the grass is still too loose for good footing. In Saturday's game both Georgetown and the Marines were handicapped by thick mud, but this will be overcome before Friday by O'Neil and Company soaking the pasture so thoroughly there will be no interference.

Argyle Trip Havoc. The Argyle and Havoc eleven, playing between the halves of the Washington-Chester game at American League Park yesterday, furnished much amusement for the fans, incidentally playing excellent football, Argyle emerging victorious after Wire plunged through the center of Havoc's line for the lone score of the matinee, late in the last period.

Wire and Gaskins starred for Argyle, with Jones and Enright carrying off the honors for the losers.

Navajo Win Fourth Straight. Navajo A. C. defeated Knickerbocker 13 to 0 yesterday. Morris, of the victors, made both touchdowns for them, one on a yard dash when the Knickerbocker fumbled in the opening period. The victory marks the fourth straight for the Navajo eleven.

Knicks Slap Brookland. The Knickerbockers continued their winning streak, the latest victory being the strong Brookland A. C. who went down to a 13-to-0 defeat at the hands of the Georgetown eleven yesterday afternoon.

The Knickerbocker fumbled often and at critical moments, only to have their stubborn offense come to the rescue whenever the Brooklanders threatened the Georgetown goal.

Time contest was witnessed by one of the largest gatherings of the local sandlot season. Southern scored both Knickerbockers.

Line-up:

Position	Brookland

Kanawha Jolt Quantico. One of the most bitterly fought games of yesterday's card was the Kanawha-Quantico clash on the Monument gridiron, the former winning the verdict by a 6-to-0 score. A few minutes after play got under way the Kanawha eleven marched down the field to the Quantico's 5-yard line, where the latter held four plunges without suffering a loss. The ball was gradually worked to the middle of the field where Bush, Kanawha end, made a spectacular 40-yard run after receiving a forward pass. The only score was made via the forward pass route with Bush on the receiving end. Charley Heis and Charley Ryan starred for Quantico, while Casey, Curtin, Dolan and Bush won the honors for Kanawha.

Arabs Beat Beery A. C. The Arab A. C. gave the Beery A. C. the first setback of the season by winning by 12 to 0 at Potomac Park yesterday afternoon. Miller and Jennings accounted for the Arabs' touchdowns, both of which were made by straight football, one in the second and the other in the third period.

Antec A. C. won a 7-to-0 decision over St. Theresa Reserve. The victors pushed across the winning score via the aerial route, Harris to Dechard, in the last minute of play. Manager Beall issues a challenge to the Arabs or other 135-pound eleven. Address, 808 Sixth street southwest.

WASHINGTON MARINES FAIL TO CHECK MOHAWKS' MARCH

Mohawk Indians continue on their merry way to another undefeated season, applying a 25-to-0 defeat to the Washington Barracks Marine eleven before a big crowd at Union League Park yesterday.

The Indian backfield quartet of Cox, Eggleston, Clarkson and Bjorkland, temporarily held up in the first quarter by sterling defensive powers exhibited on the part of the Leathernecks forward line, cut loose in the remaining periods with a dazzling display of end runs, off tackle plays and a bewildering assortment of forward passes that completely overwhelmed the Devil Dogs.

Josh Licariene and Red Schofield entered the fray in the last half and from that moment the ball was in Marine territory with one exception, until the final whistle. The Mohawks registered eighteen first downs against two for the Leathernecks.

Roamers and Saints Tie. In one of the hardest fought football games of the current season the St. Theresa Preps battled the undefeated Roamer A. C. to a scoreless tie yesterday on the Anacostia field. The forward passing of the Roamers held the Preps baffled during the early part of the game, but later on this style of play was broken up with slight gain. The St. Theresa line played a wonderful defensive game while Mader's broken-line running was easily the feature. Sweeney and Taylor were the best ground gainers for the Roamers.

Southern Trims Seat Pleasant. Southern A. C. administered a 9-to-0 trimming to Seat Pleasant on the latter's gridiron yesterday. The game was a close and hard fought, but the superior all-round defensive work of the Southern eleven, which though greatly outweighed, was the deciding factor.

Collins, of Southern, scored the only touchdown for the afternoon after blocking a Seat Pleasant punt, dashing thirty yards for the score. Southern and Arlington will meet next Sunday on the latter's field.

Knicks Slap Brookland. The Knickerbockers continued their winning streak, the latest victory being the strong Brookland A. C. who went down to a 13-to-0 defeat at the hands of the Georgetown eleven yesterday afternoon.
